

THE FOOD — E IN — NORTH LINCOLNSHIRE PLEDGE

The Food in North Lincolnshire partnership is proud to be part of the sustainable food cities network. It is made of representatives from public, private and voluntary organisations which want to promote good food, accessible to all in the area. The vision for the region is of healthy people, vibrant communities and a strong food economy which is good for the environment.

All the partnership members have agreed to the following pledge to support this vision

FOOD FOR PEOPLE

PEOPLE CAN ACCESS

Food which is affordable, tasty and nutritious

Help for people and families to develop their cooking skills

Fresh food, even for those with very limited means

Workplaces which promote healthy eating to those who work there

FOOD FOR THE COMMUNITY

HELPING TO

Bring people together to celebrate both traditional food from our area and food from our diverse community

Promote produce which people are proud of

Recognising the importance of sharing food as a time for families and friends

Support individuals who want to improve the wellbeing of the community

FOOD FOR THE ECONOMY

SUPPORTING THE ECONOMY BY

Promoting local jobs by supporting markets and our local food economy

Encouraging smaller independent retailers to create a vibrant food culture in our area

Supporting retailers to provide healthier options

Promoting the value within local produce

Recognising the achievement of business which achieve this

FOOD FOR PLACE

IMPROVING THE LOCAL ENVIRONMENT BY

Celebrating local and seasonal food, grown sustainably or reared to high welfare standards

Helping people and communities to grow their own food

Encouraging the reduction of food miles and packaging waste

Promoting ways to dispose of food waste in a way that protects the environment
