Fair Meals Direct

Do you live in Carlisle? Do you find making meals difficult? Then why not get healthy, hearty meals delivered direct to your home?

Fair Meals Direct replaces the old Meals on Wheels Service. We use great, fresh, local produce and all food is prepared ‘in-house’ by our expert chef.

Vegetarian options are available. We give you a menu each week – just tick the meals you would like and we will do the rest.

Meals are available Monday to Friday. You don't need to order every weekday - just choose the days you want your food delivered.
